---

**18 U.S.C. § 3582(c)(2) Order for Sentence Reduction**

This matter comes before the Court on the defendant's motion for a reduction in the term of imprisonment imposed based on a guideline sentencing range that has subsequently been lowered and made retroactive by the United States Sentencing Commission (the Commission) pursuant to 28 U.S.C. § 994(u).

**Background**

The defendant's motion is based on Amendment 706 to the United States Sentencing Guideline (U.S.S.G.) § 2D1.1(c). This amendment adjusts the base offense level assigned to each threshold quantity of cocaine base, or "crack cocaine," downward by two levels. U.S.S.G. App. C, Amend. 706 (Nov. 1, 2007). On December 11, 2007, the Commission voted to add this amendment to the list of amendments in U.S.S.G. § 1B1.10(c) that may be applied retroactively. As this amendment became effective on March 3, 2008, this matter is now ready for disposition.

### Discussion

The defendant was originally sentenced on February 4, 1997, with the following sentencing range:

Total Offense Level: 35  
Criminal History Category: VI  
Months Imprisonment: 292-365

The defendant was sentenced to 195 months. This sentence included a 44% downward variance from the low end of the guidelines pursuant to U.S.S.G. § 5K1.1, Rule 35, and/or 18 U.S.C. § 3553(a). This sentence was rendered prior to the Supreme Court's decision in *United States v. Booker*, 543 U.S. 220 (2005).

After taking into account the amendments to §§ 1B1.10 & 2D1.10, the Court finds that the amended sentencing range should be:

Total Offense Level: 33  
Criminal History Category: VI  
Months Imprisonment: 235-293

This Court will not consider any guideline decision from the previous sentencing that was unaffected by the recent amendment. U.S.S.G. § 1B1.10(b)(1). However, as instructed by § 1B1.10(b)(2)(B), this Court will apply a 44% downward variance from the low end of the revised, advisory guidelines. § 1B1.10(b)(2)(B) ("If the original term of imprisonment imposed was less than the term of imprisonment provided by the guideline range applicable to the defendant at the time of sentencing, a reduction

comparably less than the amended guidelines range determined under subdivision (1) of this subsection may be appropriate.”).

**Conclusion**

Having calculated and considered the revised sentencing guidelines, specifically the provisions of §§ 2D1.1(c) and 1B1.10, effective March 3, 2008, and having also considered the relevant statutory sentencing factors contained in 18 U.S.C. § 3553(a) and the advisory nature of the Sentencing Guidelines, it is the judgment of the Court that the defendant’s previously imposed sentence be reduced to a term of 132 months imprisonment. This sentence includes a 44% downward variance from the low end of the revised, advisory guidelines. This variance comports with U.S.S.G. § 1.1B10(b)(2)(B). If this revised sentence exceeds the amount of time the defendant has already served, the sentence is reduced to a “Time Served” sentence. *See* U.S.S.G. § 1B1.10(b)(2)(C) (“In no event may the reduced term of imprisonment be less than the term of imprisonment the defendant has already served.”). Except as provided by this Order, all provisions of the defendant’s previous sentence dated February 4, 1997, remain in full force.

IT IS THEREFORE SO ORDERED THAT the defendant’s previously imposed sentence be reduced to a term of 132 months.

IT IS FURTHER ORDERED THAT this Order become effective 10 days after its entry.

IT IS SO ORDERED.

G. ROSS ANDERSON, JR.  
UNITED STATES DISTRICT JUDGE

March 6, 2008  
Anderson, South Carolina

**NOTICE OF RIGHT TO APPEAL**

Pursuant to Rules 3 and 4 of the Federal Rules of Appellate Procedure, the parties have the right to appeal this Order within sixty (60) days from the date of its entry. Failure to meet this deadline, as modified by Rule 4 of the Federal Rules of Appellate Procedure, **will waive the right to appeal.**
